Use of The Site

The site provides information regarding Progressive's professional liability and fidelity insurance coverages for financial institutions. Information is also available for agents and brokers to learn more about our coverage offerings.

You agree not to disrupt, modify or interfere with the Site, or impede or interfere with others' use of the Site, or its associated software, hardware and servers in any way. You further agree not to alter or tamper with any information on or associated with the Site.

Agents and Brokers

In some states, brokers, rather than independent agents, offer Progressive's insurance products to customers. Although there are important legal distinctions between agents and brokers, for readability purposes this website uses "agent" to refer to both. While the relationship between brokers and Progressive differs from Progressive's relationship with its independent agents, including the fact that brokers do not have binding authority, many of the same or similar tools and services on the Site are available to them. If you have any questions about the products and services described on the site or their availability to brokers, please contact Progressive.
